EDUCATION

Software Engineer
Hackbright Academy
03/2023 - 06/2023   *San Francisco, CA*

Frontend Developer
Scrimba
03/2022 - Present

SKILLS

HTML5   CSS   Bootstrap   SASS   JavaScript

React   Node   Express   MongoDB   Python

PostgreSQL   Flask   Git   Command Line

SQL Alchemy

WORK EXPERIENCE

Full-Stack Developer
Hackbright
03/2023 - 06/2023   *San Francisco, CA*
Achievements/Tasks

- Collaborated with other developers and team lead to discuss goals and priorities.
- Contributed to group projects and assignments.
- Develop and maintain web applications using Python, PostgreSQL, SQL Alchemy, Flask, Jinja, HTML, CSS, and JavaScript.
- Used PostgreSQL (ORM) as database system and SQL Alchemy to access and manage data.
- Standardized all output with responsive mobile-first approach and strategy.

Volunteer Work | Frontend Developer
Hmong First Baptist Church
06/2023 - 06/2023   *Milwaukee, WI*
Achievements/Tasks

- Wireframe design of desktop and mobile layout with color scheme, fonts, and font-sizes.
- Collaborated with the deacons and pastor of the church to ensure accuracy of design.
- Demo the site to the church staffs before deploying it on the web.

PERSONAL PROJECTS

Hmong First Baptist Church (06/2023 - 06/2023) ⬈
- Built a responsive React web application to display their ministries, services, and worship hours.
- Implemented strip payment gateway for donations.
- Implemented React router, state, and JSON file.

Car Meet Up (05/2023 - 06/2023) ⬈
- Develop a responsive web application using Python, PostgreSQL, SQL Alchemy, Flask, Jinja, HTML, CSS, and JavaScript.
- Implemented user log in authentication with CRUD operations.
- Implemented Google Maps to update markers on the map and the Cloudinary API to upload pictures on the user's profile.

Portfolio Website (06/2023 - 06/2023) ⬈
- Built a responsive React portfolio website to display my projects and info.
- Implemented emailJS to receive email from users.
- Implemented React router for single application and framer motion for smooth page transition.

CERTIFICATES

Software Engineer (03/2023 - 06/2023)
Completed a 12-week accelerated program

INTERESTS

Church, Bible Study, Soccer and Basketball
